

## SERRAMENTI METALLICI

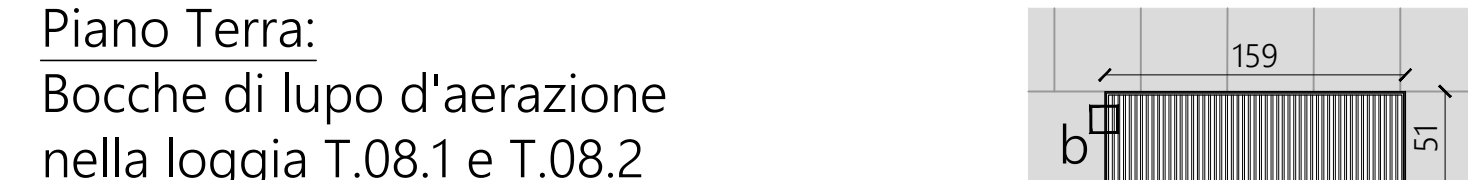

**ABACO PORTE TAGLIAFUOCO REI60**

The image displays four technical drawings related to floor-mounted wolf mouths (Bocche di lupo).

- I.01.1**: A top-down view of a rectangular model with a width of 142 and a height of 51. It features a central rectangular opening with diagonal slats and a small square detail 'a' in the upper left corner.
- I.02.1**: A top-down view of a rectangular model with a width of 143 and a height of 51. It features a central rectangular opening with diagonal slats and a small square detail 'a' in the upper left corner.
- I.02.2**: A top-down view of a rectangular model with a width of 142 and a height of 51. It features a central rectangular opening with diagonal slats and a small square detail 'a' in the upper left corner.
- Detail of I.02.1**: A cross-sectional view showing the internal components. The layers from top to bottom are: VETRO BLINDATO (s = 6/10/6), GIUNTO SILICONICO, PROFILO IN ACCIAIO INOX (20x2 + 8x2), and TRACHITE. The cross-section shows a central opening with a height of 1 and a width of 3, and a base height of 5.
