

ARCHI E PUNTI

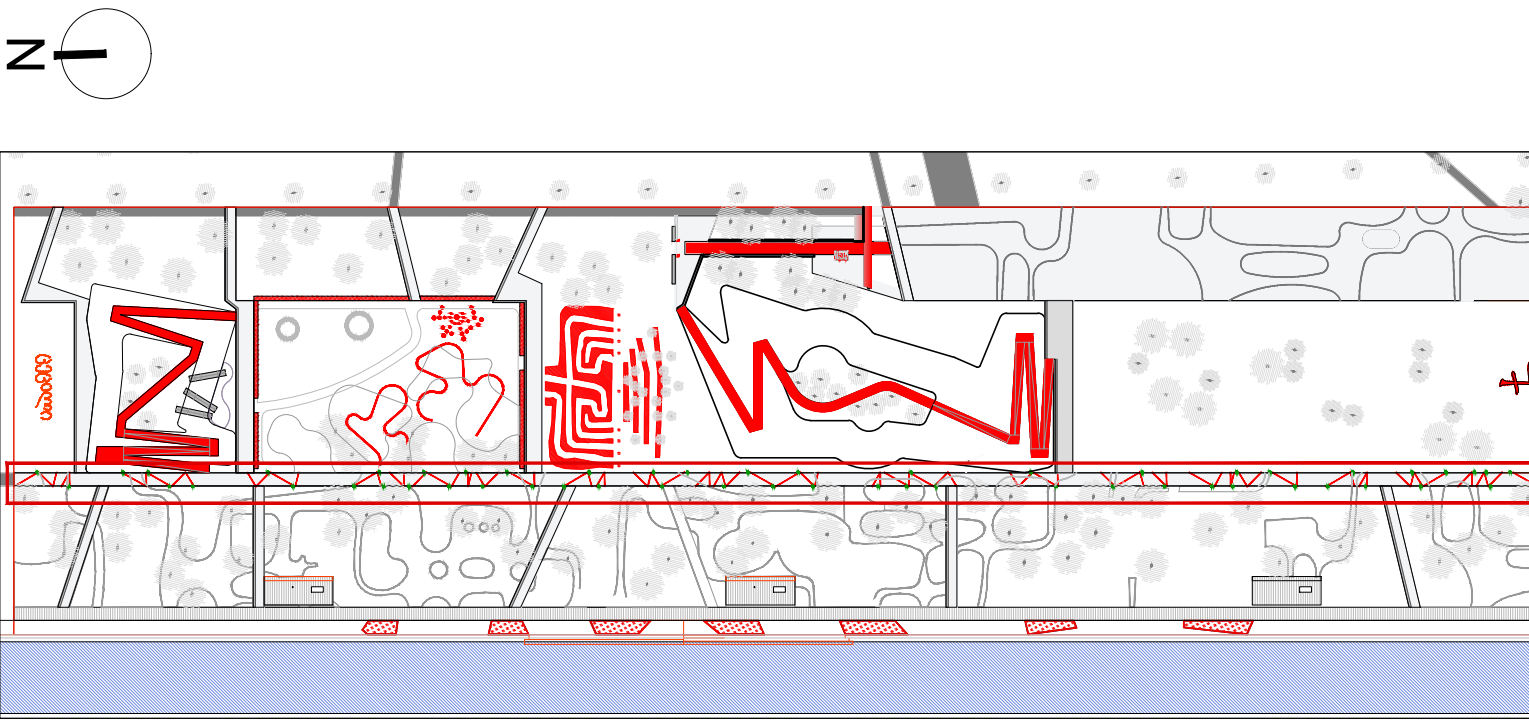

The image displays five technical drawings of arches, each with a different inclination and dimensions. The drawings are labeled 1 through 5, corresponding to the following specifications:

- 1** inclinazione 0° L=762.8cm
17 elementi Ø60.3mm
- 2** inclinazione 15° L=766.5cm
13 elementi Ø60.3mm
- 3** inclinazione 30° L=779.9cm
16 elementi Ø60.3mm
- 4** inclinazione 45° L=810cm
18 elementi Ø60.3mm
- 5** inclinazione 60° L=884.4cm
20 elementi Ø60.3mm

Each drawing shows the arch's profile, its base, and its height. The base is labeled "linea di terra" (ground line). The height is indicated by a vertical dimension line on the left. The width is indicated by a horizontal dimension line at the base. The arch's radius is labeled as R78.2, R81.3, R92.4, R117.8, and R182.1 for drawings 1 through 5, respectively. The base width is labeled as 200.0, 207.1, 208.9, 285.8, and 400.0 for drawings 1 through 5, respectively. The height is labeled as 143.3, 143.3, 143.3, 143.3, and 143.3 for drawings 1 through 5, respectively. The drawings are arranged horizontally, showing the progression of the arch's design from a simple 0° inclination to a 60° inclination.
